Please send \_\_\_ copy(s) of **Extraocular Nerves & Vasculature 1.0** @ \$150 \$ \_\_\_\_\_

With each copy, you will receive a DVD-ROM containing the software *Extraocular Nerves & Vasculature 1.0*, and QuickTime™ 6 for Mac and PC, which is required for viewing.

The below designated *licensee* is authorized to use this software in conformity with the following Agreement:

### End User License Agreement

I understand that *Extraocular Nerves & Vasculature 1.0* and associated materials (“software”) are provided as is, with no claims of correctness or suitability. I assume full responsibility for uses made of the software, and will hold Eidactics harmless from any damages attributed to its use.

I understand that I am hereby licensed to make *one simultaneous use* of the software for each copy ordered. I will not make copies of all or part of the software that would violate this restriction.

I may transfer my copy of the software only if the transferee accepts the conditions of this agreement by returning a signed copy to Eidactics. I will not incorporate all or part of the software into another product.

**Print Licensee Name:** \_\_\_\_\_
